DIVISION 4.5. SERVICES FOR THE DEVELOPMENTALLY DISABLED [4500 - 4869] (*Division 4.5 added by Stats. 1977, Ch. 1252.*)

CHAPTER 14. Employment [4868 - 4869] (*Chapter 14 added by Stats. 2009, Ch. 231, Sec. 2.*)

4868. (a) The State Council on Developmental Disabilities shall form a standing Employment First Committee consisting of the following members:

(1) One designee of each of the members of the state council specified in subparagraphs (B), (C), (D), (F), and (H) of paragraph (2) of subdivision (b) of Section 4521.

(2) A member of the consumer advisory committee of the state council.

(b) In carrying out the requirements of this section, the committee shall meet and consult, as appropriate, with other state and local agencies and organizations, including, but not limited to, the Employment Development Department, the Association of Regional Center Agencies, one or more supported employment provider organizations, an organized labor organization representing service coordination staff, and one or more consumer family member organizations.

(c) The responsibilities of the committee shall include, but need not be limited to, all of the following:

(1) Identifying the respective roles and responsibilities of state and local agencies in enhancing integrated and gainful employment opportunities for people with developmental disabilities.

(2) Identifying strategies, best practices, and incentives for increasing integrated employment and gainful employment opportunities for people with developmental disabilities, including, but not limited to, ways to improve the transition planning process for students 14 years of age or older, and to develop partnerships with, and increase participation by, public and private employers and job developers.

(3) Identifying existing sources of employment data and recommending goals for, and approaches to measuring progress in, increasing integrated employment and gainful employment of people with developmental disabilities.

(4) Identifying existing sources of consumer data that can be used to provide demographic information for individuals, including, but not limited to, age, gender, ethnicity, types of disability, and geographic location of consumers, and that can be matched with employment data to identify outcomes and trends of the Employment First Policy.

(5) Recommending goals for measuring employment participation and outcomes for various consumers within the developmental services system.

(6) Recommending legislative, regulatory, and policy changes for increasing the number of individuals with developmental disabilities in integrated employment, self-employment, and microenterprises, and who earn wages at or above minimum wage, including, but not limited to, recommendations for improving transition planning and services for students with developmental disabilities who are 14 years of age or older. This shall include, but shall not be limited to, the development of a policy with the intended outcome of significantly increasing the number of individuals with developmental disabilities who engage in integrated employment, self-employment, and microenterprises, and in the number of individuals who earn wages at or above minimum wage. This proposed policy shall be in furtherance of the intent of this division that services and supports be available to enable persons with developmental disabilities to approximate the pattern of everyday living available to people without disabilities of the same age and that support their integration into the mainstream life of the community, and that those services and supports result in more independent, productive, and normal lives for the persons served. The proposed policy shall not limit service and support options otherwise available to consumers, or the rights of consumers, or, where appropriate, parents, legal guardians, or conservators to make choices in their own lives.

(d) For purposes of this chapter, the following definitions shall apply:

(1) "Competitive employment" means work in the competitive labor market that is performed on a full-time or part-time basis in an integrated setting and for which an individual is compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals who are not disabled.

(2) "Integrated employment" means "integrated work" as defined in subdivision (o) of Section 4851.

(3) "Microenterprises" means small businesses owned by individuals with developmental disabilities who have control and responsibility for decisionmaking and overseeing the business, with accompanying business licenses, taxpayer identification numbers other than social security numbers, and separate business bank accounts. Microenterprises may be considered integrated competitive employment.

(4) "Self-employment" means an employment setting in which an individual works in a chosen occupation, for profit or fee, in his or her own small business, with control and responsibility for decisions affecting the conduct of the business.

(e) The committee, by July 1, 2011, and annually thereafter, shall provide a report to the appropriate policy committees of the Legislature and to the Governor describing its work and recommendations. The report due by July 1, 2011, shall include the proposed policy described in paragraph (4) of subdivision (c).

(Amended by Stats. 2013, Ch. 677, Sec. 3. Effective January 1, 2014.)
